

# Charger Collective Commitments: CLIMATE

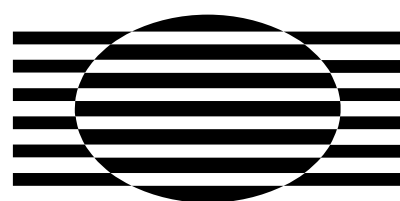

We commit to interactions that are characterized by

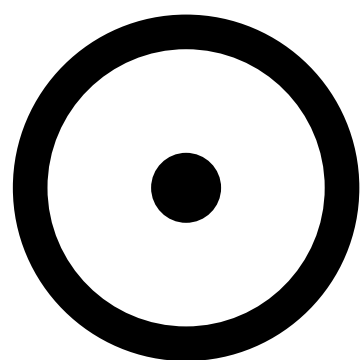

**warm, welcoming, and respectful communications** with all students, parents, and staff.

We commit to a climate where where students, parents, and staff are

**mutually respected in all of our beliefs and actions.**

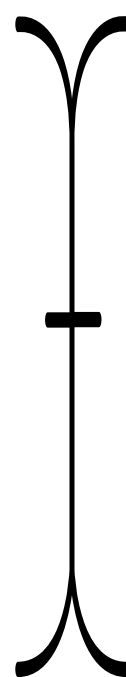

We commit to a positive school climate that is characterized by

**high energy, positive relationships and engaging learning.**

We commit to keeping students and teachers

**physically and emotionally safe** in our school through our words and actions

We commit to a climate that is focused on the four R's of our school:

**Rigor, Relationships, Respect, and Resiliency.**

We commit to the value of

**positive relationships** as the key to successful learning

and the overall effectiveness of our school.
