

# Charger Collective Commitments: LEADERSHIP

We commit to being **accessible and actively listening** to and responding to all stakeholders.

We commit to **practicing shared leadership**

with teacher-leaders, parents and students assisting in decisions that impact our school.

We commit to providing consistent, relevant **professional growth opportunities**

for all teachers on the staff.

We commit to having **clear expectations** for students and teachers that are communicated consistently throughout the school.

We commit to **valuing all voices**

on our staff and eventually moving forward with **decisions that reflect the collective will of the staff.**

We commit to provide the staff with the tools they need

to create and deliver high quality lessons and assessments.

We commit to being

**active members of a collaborative team**

and having shared responsibility for the social, emotional, and academic success of each student.
