

# Encouraging Parent Involvement

## How would I become involved?

Near the beginning of the school year all parents receive notice of open positions on the council and how to let the council know they would like to serve. If more people apply than there are open positions, an election is held.

Tell someone on the council that you are interested if a position becomes open.

## Where do I find information about the council at my school?

The school website, [wfis.washk12.org](http://wfis.washk12.org), will tell you:

- Who is on the council with their contact information
- Council meeting schedule for the year
- Agendas of upcoming council meetings
- How much money was spent last year
- How much money came to the school this year

There is \$ to be spent at our school and **YOU** could decide how to spend it.
